Run the exam. Skip the marking.

The **fully offline computer-based testing** system for schools and exam centres.

Fully offline · no data bills | Past questions 1998 to date | JAMB + WAEC | Your own exams

SOUND FAMILIAR?

Here is how Exam Box fixes it.

~~Marking takes days~~	**Instant marking. Scores out of 100.** Every answer is marked the moment a candidate submits.
~~Report cards compiled by hand~~	**Branded report cards. Export to Excel.** PDF report cards with your school logo for the whole class, plus Excel broadsheets.
~~First CBT on exam day~~	**A real CBT screen. Everyone starts together.** Timer, subject tabs, question navigator and calculator.
~~Internet and data cost money~~	**Fully offline. No data bills.** One school PC runs the exam on your own network, with no internet needed after licence activation.
